

WHAT'S MADE OF WOOD?

Color in all the items that are made from the wood of Oregon's forests.

Guess what? They're **ALL** made of wood.

Thousands of things that you use everyday come from the trees that grow in Oregon's renewable forests.

To learn more about Oregon's forests, visit www.oregonforests.org

(c) 2005 Oregon Forest Resources Institute

Our forests give us...

...a place for animals to live, wood for our homes, a place to have fun, and lots more.

Where do animals like to live?

When it comes to a place to live and eat, different animals need different ages of forest.

Can you find these animals in the forest they live in?

Deer mouse

Striped skunk

Black tailed deer

Mountain bluebird

Snowshoe hare

Black bear

Oregon slender salamander

Northern spotted owl

Hoary bat
